

GREEKS CLASSES PVT. LTD.
GREEKS All India Test Series (GAITS) XIth
Syllabus

PT-1 (NEET) Date: 25-07-2026

Physics: Basic Maths, Units & Dimension, Error & Calorimetry (Till completion).

Chemistry: **Inorganic Chemistry:** Periodic Table.

Biology: The Living World.

PT-2 (NEET) Date: 22-08-2026

Physics: Calorimetry, K.T.G.

Chemistry: **Organic Chemistry:** Types of Carbon, Calculation of DBE, Calculation of Sigma & Pie, Naming of Alkanes, Alkene & Alkyne & Naming of Alcohol, Aldehyde & Ketones

Biology: **Botany:** Structural Organization in Animals (Introduction upto connective Tissue: Blood)

PT-3 (NEET) Date: 12-09-2026

Physics: Thermodynamics.

Chemistry: **Physical Chemistry:** Atomic Structure.

Biology: **Zoology:** The Living World, Earthworm.

PT-4 (NEET) Date: 03-10-2026

Physics: Vector, Motion (Till Taught)

Chemistry: **Physical Chemistry:** Mole Concept & Atomic Structure

Biology: **Botany:** Animal Tissues (Connective Tissue & Epithelial Tissue), Cockroach, Animal Kingdom (Basis of Classification only)

PT-5 (NEET) Date: 28-11-2026

Physics: Basic Math, Vector, Motion and projectile motion,

Chemistry: **Physical Chemistry:** Mole Concept & Atomic Structure, gaseous state

Biology: **Botany:** Animal Kingdom

PT-6 (NEET) Date: 12-12-2026

Physics: Motion and projectile motion, NLM (till taught)

Chemistry: **Physical Chemistry:** Mole Concept & Atomic Structure, chemical equilibrium
In-organic Chemistry: Periodic table

Biology: **Zoology:** Animal Kingdom

PT-7 (NEET) Date: 02-01-2027

Physics: Basic Math's, Motion in One Dimension, Projectile & Relative Motion, NLM & Friction, Work, Power & Energy

Chemistry: **Physical Chemistry:** Mole concept, Chemical Equilibrium
In-organic Chemistry: Periodic Table
Organic Chemistry: IUPAC Nomenclature

Biology: **Zoology:** Digestion & Absorption
Botany: Cell Unit of Life

PT-8 (NEET) Date: 09-01-2027

Physics: Basic Math's, Vector, Motion in One Dimension, Motion in a Plane, NLM (Till Taught)

Chemistry: **Physical Chemistry:** Mole Concept, Chemical Equilibrium
Organic Chemistry: Structure Isomerism, IUPAC Nomenclature, Geometrical Isomerism (Till Taught)

Biology: **Zoology:** Breathing & Exchange of Gases
Botany: Cell-The structure Unit of Life, Cell-Division
